ANNEXURE-II

STATEMENT OF IMPUTATIONS OF MISCONDUCT OR MISBEHAVIOUR IN SUPPORT OF THE ARTICLES OF CHARGE FRAMED AGAINST SRI G.YEDUKONDALU, THE THEN DEPUTY EXECUTIVE ENGINEER, (R&B) SUB-DIVISION, TADEPALLIGUDEM PRESENTLY WORKING AS EXECUTIVE ENGINEER, (R&B) DIVISION, MYLAVARAM.

The GA (V&E) Department have enquired into the allegations of irregularities in payment of excess compensation in Land Acquisition for widening of NH-16 in West Godavari District and furnished Vigilance Report No.1, dated: 2.01.2019, with the following findings among others:-

1. The Competent Authority (Land Acquisition) NHAI 16 (5) acquired lands for widening/extending of 4 lane to 6 lane from Rajahmundry Gundugolanu Section of NH-16 from Km 15.700 to Km 50.500 of (EGK S.H. 102) on requisition from the Project Director, National High Way Authority, Project implementing Unit, Rajahmundry.

2. As a part of land acquisition - Certain lands were acquired in Nallajerla village and Land Acquisition Award passed vide Award No. 15/2017/N.R.16 (EGK-S.H. 107) Dt. 25.04.2017, wherein land extent of 1510 sqm was acquired from Sri Menni Rama SatyaVara Prasad, S/o (Late) SubbaRao in Rs No. 1070/1B in Nallajerla Village.

3. The then Deputy Executive Engineer, (R&B) Sub-Division, Tadepalligudem made undue benefit to the land owner by recommending the Structure value of eligible Rs 24,80,328/- for the shed/ godown which does not exists as on the day of preliminary notification (i.e., 09.09-2016) for which the land Owner is not eligible.

4. Further from the facts and evidences, mentioning the year of construction basing on oral enquiry and information given by the beneficiary is not correct. Stating that the beneficiary did not furnish any approved plans at the time of valuation is not correct. The officer should have insisted for the relevant documents and scrutinize them before issue of valuations. Particularly when huge compensations were involved as in the instant case valuated the structure for Rs.24,80,328/- and compensation involved was about Rs.49,60,656/- for small petty structure like cattle sheds, thatched roof sheds etc. there may be not approved plans but for structure with higher value there shall be invariable approved plans and those have to be verified before issuing valuation thereby giving undue financial advantage to the land owner to a tune of Rs.24,80,328/- which is a loss to govt. exchequer.

5. The then Deputy Executive Engineer, (R&B) Sub-Division, Tadepalligudem failed to follow the prescribed procedure as stipulated in the Memo No. 55284-D/ /LA (A2/99 of Te Revenue (LA) Department, Dt.16.06.2000 which stipulated Joint inspections Joint inspection of the lands, structures trees, videography of the structures, trees etc existing on the lands under acquisition to obviate undue claims for compensation and also to build-up authentic and irrefutable record of such structures, trees etc. instead resorted to non transparent way of survey procedures leading to ineligible / excess payments.

Thus, the Government servant has therefore rendered himself liable for departmental action for dereliction and negligence of duty.

Hence the charge
